

Instructions for submitting your assignment

After completion of the lab, do the following:

1. Save your files as per the question number.
2. Create a single folder with naming as “<Admission No.>_<Assignment No.>” and put all of these files related with your lab assignment for that particular day as per Step No. 1.
3. Zip this folder and send to the following *e-mail id* for the evaluation:
imageprolab@gmail.com
